CATAPULT DANCE CHOREOGRAPHIC HUB EMERGING ARTIST PROGRAM

TRAINED DANCERS AGED 18-26 WORKING CREATIVELY WITH PROFESSIONALS
TOWARD THE PRODUCTION OF ORIGINAL WORKS

INAUGURAL PROGRAM COMMENCING TERM 4 2016

Welcome to U Turn.

The program is for dancers (with a high level training in classical and or contemporary dance) who are aged 18-26 yrs. We are looking for dancers who are either considering pursuing professional training, who have completed training at their dance schools and would like to return to dance in a creative setting, for trained adults looking for a way to re-enter dance working toward performance outcomes rather than competitive environments.

Dancers will be required to commit to approximately 2 hour company class and choreographic development each week, as well as attend Masterclass workshops (2-3 hours one weekend every six weeks) taught by professional dance artists from across Australia. The Program is led by Catapult Artistic Director Cadi McCarthy.

Performance outcomes will include appearances at the Flipside Project works, informal showings at the Catapult Studio, site specific performance work throughout Newcastle as well as the potential for exchange and networking with other youth (18 - 26 years) dance companies across Australia.

It would be great if you could attend the Thursday night Advanced contemporary class straight away in order to become acquainted with Cadi McCarthy and the technique.
