### THE FLIPSIDE PROJECT INTENSIVE #2 FOR 2016 UNDERWAY

With The Hunter Dance Festival coming up on the 25th-28th July, both Junior and Senior Intensives have been a great experience for all involved with our junior participants working with Harrison Elliot and our senior participants working with Kristina Chan. All of the young people engaged in The Flipside Project have had the opportunity to work collaboratively and creatively with the choreographers as well as receiving sound teaching in professional practice.

Well done to all involved, the hard work of the participants and commitment of the parents to engage in The Flipside Project is always inspiring and a credit to the local dance community.

Rehearsals will be held on Sunday 24th July at Catapult Dance Choreographic Hub 880 Hunter St Newcastle West, and performances are held at the Wests City Club 25th - 28th July.

Tickets are \$18 and can be ordered [here](#).

The Flipside Project is funded by Arts NSW, endorsed by NSW Public Schools and supported by City of Newcastle, Ausdance NSW, Harlequin Floors, and CAN.

SUE HEALEY will be working at Catapult on a residency during August and teaching workshops on Fine Lines, with young people pursuing their HSC in Dance in 2016. More to come about this in August.

It was a pleasure having dancers from Sydney Dance Company teaching a class at Catapult during their recent tour in Newcastle. The lucky participants learnt a short excerpt from a phrase in Rafael Bonchela's recent work Lux Tenebris.

Thank you to all of our sponsors.
